## Social Networking Site Waiver

**Definition of a social networking site:** A social networking site focuses on building online communities of people who share interests and/or activities, or who are interested in exploring the interests and activities of others. Most social networking sites are web based and provide a variety of ways for users to interact, such as e-mail and instant messaging services. Examples of these sites include Facebook, MySpace, Friends, Hi5, Twitter and Bebo.

Do you participate in any social network sites? Yes  No

Please list below all networking sites you participate in and user name. Make sure to indicate if you have multiple accounts on that site.
