Tell us other ways your company supports sustainable efforts or describe "next step" plans for continued sustainable growth:

By submitting this application, I confirm that the information contained herein is accurate and complete, to the best of my knowledge. I also understand that the City of Avondale's Green Business Program does not work with all business types, and does not have standards for all business sectors, therefore my business may not be eligible for certification. I commit to responding in a timely and complete manner to City staff, auditors and/or inspectors contacting this business to schedule a visit and to requests for information. I understand that the program may not be able to work with this business if we are unresponsive to such requests within a reasonable period of time.
